

## Senior Estimator

### About Us

BOOT Construction is a prominent name in the construction industry, known for our commitment to excellence and delivering high-quality projects across East Anglia. We prioritise professionalism, innovation and client satisfaction in every endeavour.

### Position Overview:

We are currently seeking a skilled Senior Estimator to join our team at BOOT Construction. As a Senior Estimator, you will play a crucial role in accurately tendering the costs of construction projects. Your contributions will directly impact our success in delivering outstanding results to our clients and supporting the growth of BOOT Construction.

### Responsibilities:

- Oversee the estimation process for construction projects, ensuring accuracy and completeness.
- Analyse project specifications and drawings meticulously to generate detailed cost estimates.
- Demonstrate proficiency in creating Bills of Quantities and conducting take-offs.
- Collaborate with project managers, architects and subcontractors to gather necessary information for estimating.
- Research and evaluate material and labour costs to ensure competitive bidding.
- Develop and maintain relationships with suppliers and subcontractors to obtain competitive pricing.
- Review and assess project risks and opportunities to provide recommendations to senior management.
- Support with tender submissions and negotiations to secure contracts.
- Monitor and track industry trends and market conditions to inform estimating decisions and future opportunities.

### Requirements:

- Proven experience as an Estimator in the construction industry, with a focus on commercial and high-end residential projects.
- Strong analytical and mathematical skills, with diligence.
- Excellent communication and negotiation abilities.
- Proficiency in estimating software and Microsoft Office suite.
- Ability to work effectively under pressure and meet deadlines.

- Leadership skills and the ability to work collaboratively in a team environment.
- A proactive approach to problem-solving and decision-making.
- Valid driver's licence and willingness to travel to project sites as needed.

**Benefits:**

- Competitive salary and benefits package.
- Opportunities for career advancement and professional development.
- Supportive and inclusive work environment.
- Exciting projects and challenging jobs.
- Employee wellness programmes and company-sponsored events.

If you are a motivated and experienced Estimator looking for a rewarding opportunity with a reputable construction company, we encourage you to apply.

**How to Apply:**

If you are a motivated and experienced Estimator looking for an exciting opportunity with BOOT Construction, please email your CV and cover letter to [enquires@bootconstruction.co.uk](mailto:enquires@bootconstruction.co.uk)
